1. Introduction:

This document presents an overview of forecasted exhibitions planned to take place in **Kenya, Rwanda and Uganda** during 2026. It should be noted that event details, including dates and venues, **remain subject to change, and that some exhibitions may span multiple sectors**, pending official announcements and final confirmations issued throughout the year.

The 2026 exhibition calendar is expected to feature a combination of established flagship events and emerging sector-specific expos, covering key industries such as renewable energy, agribusiness, construction, industrial machinery, automotive, packaging and processing, and mining. These exhibitions offer valuable platforms for business networking, market entry, and trade promotion.

Interested businesses are strongly encouraged to contact event organizers directly to confirm the exact dates, venues, and participation modalities prior to undertaking any planning or engagement activities. Institutional participation and official activities are yet to be determined (TBD) with respect to dates and venues at this stage.

❖ The main exhibition venues in Kenya include:

- Semi-government venues:
 - Kenyatta International Convention Centre (KICC)
 - Uhuru Gardens
- Private-sector venues:
 - Sarit Expo Centre (Sarit Expo)
 - The Edge Convention Centre
 - Hotels and convention facilities, including Safari Park Hotel and Villa Rosa Kempinski, among others.

❖ The main exhibition venues in Rwanda

- Kigali Convention
- BK Arena
- Intare Conference Aren

❖ The main exhibition venues in Uganda

- UMA Show Grounds / UMA Exhibition Centre Lugogo
- Speke Resort Convention Centre – Munyonyo, Kampala
- Hotels such as Serena Hotel, Sheraton Hotel

Indicative exhibition costs and venue-related fees in Nairobi are provided for reference.¹

¹ Annex 1- official price list issued by the Kenyatta International Convention Centre (KICC).

Unlike KICC, private sector do not specify square-meter rates or day-rates for the exhibition hall.

As each activity varies

The cost of participation (per sqm) is influenced by various factors such as:

- The venue
- Exhibition sector
- Booth location
- Duration
- Status (International participation or regional, national)
- The profile of the organizers,
- Required additional requests as of (furniture and services).

For example, based on recent Jordanian company participation at Aidex in Africano hotel (prime location, 2 days, 6 sqm 3×3) 3,042 JOD.
